

# YOUR POLISH PASSPORT IN 5 STEPS

## PREPARATION

- The first step of the process involves signing quotes, agreements and letters of authority.
- This will allow us to conduct research in various jurisdictions and act on your behalf.

1

## DOCUMENTATION

- It involves gathering all the documents necessary to prove to the Polish authorities that you have a rightful claim to Polish citizenship.
- We will conduct all the research needed, but some documents will need to be provided by you. E.g. Your birth certificate.

2

## LODGMENT

- We will apply for confirmation of Polish citizenship and register your birth and marriage certificate (if required) in Poland.
- The outcome of this step is the confirmation of your Polish citizenship, your Polish birth and marriage certificate (when applicable).

3

## PASSPORT APPLICATION

- We will make an appointment at the Polish consulate and send you documents required to apply for your passport.
- Along with your Polish passport, you will be issued with a PESEL number. This is akin to a social security number.

4

## SUCCESS!

You now have a Polish passport and are free to move around and work in Europe!
